Linea VINTAGE

C'è un modo per sentirsi sempre diversi: essere se stessi. Con la collezione VINTAGE, l'attenta selezione dei materiali è il segno distintivo di ciascun divano, creato usando pregiati legnami, pelli naturali, tessuti esclusivi e cuciture tipiche della più alta pelletteria italiana. La collezione VINTAGE percepisce i tuoi momenti e li traduce in emozioni.

There's a way to always feel different: to be yourself. With the collection VINTAGE, the careful selection of materials marks each item with a distinctive sign; each sofa is created using precious wood, natural leathers, exclusive fabrics and applying the sewing technique typical of the greatest Italian leather-working tradition. The collection VINTAGE catches your moments and translates them into emotions.

Il y a une manière pour se sentir toujours différents: être soi-même. Avec la collection VINTAGE, la sélection minutieuse des matériaux est le signe de distinction de chaque canapé, créé en utilisant des bois prisés, des peaux naturelles, des tissus exclusifs et des coutures typiques de la plus haute maroquinerie italienne. La collection VINTAGE perçoit tes moments et les traduit en émotions.

Es gibt einen Weg, sich immer doch anders zu fühlen: sich selbst zu sein. Die Vintage-Kollektion kennzeichnet jede Polstergarnitur mit der Sorgfalt an Materialien: wertvolles Holz, natürliches Leder, exklusiver Stoff und die typischen Nähte der höchsten Italienischen Lederwaren. Die Kollektion Vintage spürt deine Momente und übersetzt sie die Emotionen.

Существует способ чувствовать себя всегда разнообразно, но при этом оставаться самим собою. С коллекцией VINTAGE, Вы можете прочувствовать наш внимательный подход к выбору материалов: пород дерева для создания фуста, натуральных кож, тканей, что является отличительной характеристикой каждого дивана, созданного на нашей фабрике.
